WORKPLACE HEALTH & SAFETY ACT.

Any exhibitors intending to bring electrical equipment to the Show Grounds will be required to ensure that such equipment is fitted with earth leakage circuit breakers and that all electrical leads, tools and appliances have been inspected and tagged by a Licensed Electrical Contractor. This is essential for the safety of all exhibitors and the general public and it is a requirement of the Workplace Health & Safety Act of 1989. The Act imposes very severe penalties in the event of a non-compliance with its provisions. Any exhibitors who do not comply will not be allowed to exhibit at the Imbil Show Grounds. Exhibitors should check all electrical equipment and leads before coming to the Show Grounds to avoid the occurrence of any difficulties.
